

# MERCEDES-BENZ V-CLASS

## Vehicle type:

Mercedes-Benz S V-Class  
LUXURY VAN

## Seats:

## Luggage:

## Vehicle description

Thanks to several extras the Mercedes-Benz V-Class offers a special sense of space and the highest level of driving comfort. The electronic side doors make entry and exit easier for our passengers. Color glazing in the rear seat ensures sufficient privacy. Additionally, the van has a long wheelbase which allows for transportation of larger items of luggage. The 6-seater is also particularly suited for event shuttles.
